# Use what you have

## Leadership

- Experienced People
- Inventive People

## Infrastructure

- Network / Computing Centers
- Communications Towers

## Procedures

- ICS, SEMS, NIMS, Security (DHS)
- Federal Grant Initiatives

# Transition

- Review and Simplify Information Definitions / Security
- Morph Radios/Repeaters to cross the voice/data divide → IP radios + VoIP
- Pay via FCC-managed Auction of Spectrum to a fund
  - ▣ Design, Build, Distribute, Install new systems
- Lead from CA with VA and WDC
